Regarding: Fee Difficiency and Address Change

Dear Mr Soderquist

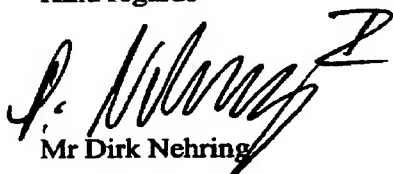

Thank you for your time on the telephone earlier today. As we discussed, we have not received notification from you regarding the fee deficiency. As I told you, this is possibly due to our change of address since lodging the original application. To re-confirm our new address;

deltaT GmbH
Kerkrader Strasse 11
35394 Giessen
Hessen
Germany

You advised me that the fee deficiency is \$140. We would appreciate it if you could advise the bank details of how to transfer this sum and we will do so asap. Should you wish to notify us by email, my email address is nehring@deltaT.de and fax number is +49641 4809242.

Thank you in advance for your assistance

Kind regards

Mr Dirk Nehring
